0.5 L olive oil

100g salt

3 kg cheddar cheese (grated)

250g vegan cheese (grated)

2kg hummus

Important: all potatoes to be scrubbed, oiled and salted on Saturday evening!

Preheat oven to its highest setting early Sunday morning.

Place potatoes onto trays and into oven by 8:45am at the latest.

Check periodically as trays may need to be swapped around

Grate cheese if not pre-grated.

45 minutes before serving, microwave 20 pre-cooked frozen jacket potatoes, and make space in the oven to crisp them before serving.

Spiced Baked Beans

500 ml rapeseed oil
200g cumin seeds
20 (4kg) onions
1 tbsp (20g) chilli powder
20kg baked beans
4 bottles Henderson's relish

Reserve three portions of beans without spice and onions.

Finely dice onions (swimming goggles help)

Heat up about 500ml rapeseed oil in a large pan.

When hot (but not smoking!), add the cumin seeds and fry for 30 seconds, then add onions.

Fry until they are translucent and have softened.

Add chilli powder and stir.

Now add baked beans and the Henderson's Relish.

Cook and keep stirring. Can easily stick to the bottom of the pan, so keep stirring!
